Of course not. Best of all, if after reading an e-book, you buy a paper version of Learning German With Stories And Pictures: Fred Der Fisch. Read the book on paper - it is quite a powerful experience.

Learning German With Stories And Pictures: Fred Der Fisch

Learning German can be a lot of fun, but focusing only on grammar and word formation patterns is an almost guaranteed path to frustration. This is not to say that grammar is useless for learning German, it's certainly helpful as a compass, but it's impossible to master conversation and text-comprehension through mere "calculation" of cases [!]
