Guided Writing - Reading Recovery Council of North America

Shared writing, along with writing aloud, is a step in the process of moving students toward independent writing. It is another level in the scaffold that gives students support as they learn the mechanics, conventions, and processes of

Shared Writing - Rose Tree Media School District / Overview

Guided writing lessons can be taught after a whole-class lesson once other students are actively engaged in independent writing. Research Basis Writing is learned through apprenticeships, as teachers assist students during writing using guided practice.

Guided Writing - ReadWriteThink

Shared reading with strong teacher support and guided reading with less teacher support are two ways the teacher can give students practice and immediate feedback, as they develop the skills and strategies necessary for successful decoding and comprehension.

Teach 1 Shared Reading-FINAL

Guided writing is the third step in teaching writing to children. In guided writing, teachers continually provide

feedback, redirection and expansion of ideas. Any area of writing can be addressed, but it works well to put similar needs together and address them at the same time.
